## Kimberley Process Compliance Policy

The Gemmes-Tech group, through its three companies, is committed to not marketing diamonds from conflict zones and to respecting the principles of the Kimberley Process.

The group is committed to:

1. Fully adhere to the World Diamond Council Resolution on Industry Self-Regulation.
2. Notify the following warranty statement on all its diamond-related invoices. "The diamonds invoiced herein were purchased from legitimate sources not involved in the financing of conflict and in compliance with United Nations resolutions. Seller hereby warrants that these diamonds are "conflict free" based on personal knowledge and/or written warranties provided by the supplier of these diamonds. "
3. Do not purchase diamonds from sources that do not adhere to the principles of the World Diamond Council's Resolution on Industry Self-Regulation and/or do not include the warranty statement on their invoices.
4. Train all employees involved in the purchase or sale of diamonds on the blood diamond trade, the Kimberley Process Certification Scheme and the World Diamond Council Warranty Scheme.
